CONNECTIVITY

CONNECTED SERVICES

Enjoy the seamless experience of a completely connected drive*. GMC Connected Services offers you an elevated ownership experience based on innovation. Get 10 years of standard connectivity once activated for access to Diagnostic Alerts, Dealer Maintenance Notification, GMC Smart Driver and future Over-the-Air updates.

To ensure you can experience our services, your GMC includes a trial of the OnStar Protect & Connect Bundle plan + 3GB/90-day (whichever comes first) Wi-Fi data trial that can be activated. See onstararabia.com for details.

*OnStar services are subject to mobile network coverage and availability.

1. Not compatible with all devices.
 2. Full functionality requires compatible Bluetooth and smartphones. Some devices require USB connectivity.
 3. Vehicle user interface is a product of Apple and Apple's terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.
 4. Does not detect people or items. Always check the rear seat before exiting.
- OnStar Connected Services and Wi-Fi Plans available in United Arab Emirates (UAE) and Kuwait only. Google Assistant is not available in certain languages and countries. Google Built-in is available from MY22 onwards on the GMC Yukon, Yukon XL and Sierra (Sierra built after April 2022) in all connected markets.

Due to global Semi-Conductor supply shortages, GM vehicles may not have some standard features and options. Please check with your local GMC dealer to confirm the vehicle specifications prior to purchase. Vehicles not equipped with Automatic Stop/Start will be less fuel efficient.

**Available only on MY22 Yukon, Yukon XL and Sierra LD on selected trims in connected markets. See onstararabia.com for details and availability. Google Assistant and some related features are not available in all languages or countries. See g.co/assistant/car languages for updates to language and country availability. Google Play, Google Maps and Google Assistant are products of Google LLC. Google Terms and Privacy Statement apply.

***Google Assistant is a product of Google LLC wherein Google Terms apply. Some related features are not available in all languages or countries. See g.co/assistant/carlanguages for updates to language and country availability.

CONNECTIVITY

PROTECTION

ONSTAR® SAFETY & SECURITY

You can't put a price on peace of mind. OnStar lets you drive with confidence, knowing an OnStar Advisor is ready to help no matter what happens out on the road.

AUTOMATIC CRASH RESPONSE

If you're in an accident, built-in vehicle sensors automatically alert an OnStar Advisor, who can call for help, even when you can't call for help yourself.

STOLEN VEHICLE ASSISTANCE

If your vehicle is ever stolen, OnStar can work with law enforcement to help locate and recover it as quickly as possible.

EMERGENCY SERVICES

If you see an emergency on the road, or have one yourself, push the red Emergency button to connect with an OnStar Advisor. They'll direct first responders to your location, offer critical assistance and stay on the line with you until help arrives.

ROADSIDE ASSISTANCE

If you get a flat tire, run out of fuel, or the unexpected leaves you stranded, an Advisor can send the appropriate help to get you back on your way.

GOOD CITIZEN

If you see a crash, or find someone in need of help, push the red Emergency button and help someone else in need.

**OnStar services are subject to mobile network coverage and availability.

1. Not compatible with all devices.
2. Full functionality requires compatible Bluetooth and smartphones. Some devices require USB connectivity.
3. Vehicle user interface is a product of Apple and Apple's terms and privacy statements apply. Requires compatible smartphone and data plan rates apply.
4. Does not detect people or items. Always check the rear seat before exiting.
