YUKON

FIRST-CLASS EXPERIENCE

More premium, more technology and more capable than ever – that's how the All New Yukon & Yukon XL Denali signal a first-class experience.

The bold exterior design, proud stature and meticulous craftsmanship of its refined interior all point to GMC's precise attention to every detail. Underneath are advanced technologies and purpose-built engineering – a hallmark of authentic GMC capability.

RISE TO THE ADVENTURE

Explore roads never traveled. The First Ever Yukon AT4 takes capability head-on with an increased front-approach angle. The all-new four-corner Air Ride Adaptive Suspension can raise Yukon AT4 up to 2" to improve ground clearance. Conquer the conditions with greater confidence thanks to AT4's 2-speed AutoTrac transfer case, Hill Descent Control and an all new Active Response 4WD system. It helps you maneuver in slick or off-road environments by seamlessly sending optimal torque to each wheel for improved traction. Connecting Yukon AT4 to the ground are 20" all-terrain tires.

AT4

AT4

FEATURES

- AT4-SPECIFIC FRONT DESIGN FEATURES SKID PLATE AND APPROACH ANGLE OF NEARLY 34 DEGREES
- FOUR-CORNER AIR RIDE ADAPTIVE SUSPENSION

YUKON XL

MAX. CARGO VOLUME: 4,097.9 Liters

The Next Generation Yukon has a lot to love, but for an even more spacious cabin, flexible cargo capacity and greater fuel tank capacity, there's the Next Generation Yukon XL. It upsizes Yukon's capability, offering even more cargo room behind the first, second and third rows. For generous, easily accessible cargo room with both rear rows folded down, Yukon gives you up to 3,480.5 Liters and Yukon XL offers up to 4,097.9 Liters. For easier access to all of this space when your hands are full, the standard hands-free programmable power liftgate with GMC logo projection opens with just a kick of your foot.

Second-row seats offer an available power-release fold-and-tumble feature, while available third-row power fold-flat seats complete the transition from passengers to cargo.

Plus, both Yukon and Yukon XL offer seating for up to nine with SLE's optional front bench seat.
